# President's Report

The 2025 season continued its ongoing growth and development and again delivered outstanding successes for all its stakeholders (members, sponsors and players).

Sydney Masters Hockey has also further elevated its well-deserved reputation as the largest, long standing, best and most successful Masters Hockey Association in NSW (both for local competition and representative teams).

Again this would not have been possible without the fantastic and ongoing dedication, commitment and contributions of the Board, the Club / Team Coordinators and all the players and officials, so I wish to extend my sincere appreciation to all participants involved with Sydney Masters Hockey.

In 2025, we achieved record player numbers (603 from ages 34 through to 84) representing teams who contested competitions from February to September (22 in the preseason competition and 31 in the main season competition).

The Board was pro-active again this year with the introduction of more new initiatives and the establishment / completion of a number of important projects viz –

## New in 2025

- A new Sydney Masters Hockey **Corporate Sponsorship Strategy** was developed and implemented in 2025 (Pro League in Sydney in February).
- The current **Constitution (2016)** was reviewed, updated and communicated to all stakeholders for approval at the 2025 AGM
- Updated **Emergency Medical Procedures** (in conjunction with SOPA policies) were completed and implemented during the 2025 season
- A formal **IT Service Agreement** was completed
- Established an **online payment system** for Insurance and Rep team fees
- All the SMHA **Honour Boards** (in Waratah Room) were updated
- **MVP Awards** were introduced for all Grand Finals (from 2025)
- A survey / questionnaire was completed for the Annual Intercity Challenge

## Continuation

- **Hawkesbury Brewing Company** (Mark Berwick) continued its highly valued major sponsorship (annual competitions and representative teams) for 2025.
- The special Sydney mid-week only **player registration and insurance** was continued (accessed by 80 players).
- **First Aid Coach** continued their support by providing subsidised First Aid accreditation for Sydney Masters hockey players and officials (included new, upgrades and renewals).
- **C Sport** (Luke Domrow) continued with the Live streaming of the 2025 Grand Finals (Premier League, Sydney Cup, Masters and Senior Masters). Increase views of these games highlighted its success (1,591 for Premier League and Sydney Cup on 16 September, 911 for Masters League and Senior Masters on 17 September).

- The **Intercity Challenge** (in its 4th year) between Sydney and Canberra was continued. Canberra travelled to Sydney and 8 matches were conducted at the Cintra Hockey Centre in late November 2024. In the closest results since its inception, Sydney was successful again (so that makes all 4 years so far).
- 2025 Grand Final formal functions / presentations were held (with Life Members and Special Guests again invited).
- “Thank You” dinner function for all Team Co-ordinators was continued and held in November 2025.

It is also very pleasing to recognise that in 2025 Sydney had 11 representative teams (from Over 34's to Over 69's) and again completed a very successful representative season. Importantly we had 16 players represent Sydney for the first time in 2025.

Overall we had 10 of the teams finishing in the top 4. Three teams finished as NSW Champions (2 in A Division - 34's, 54's and 1 in B Division – 54's). Three lost in the final and finished 2<sup>nd</sup>, two finished 3<sup>rd</sup>, two finished 4<sup>th</sup>, one finished 6<sup>th</sup>.

Sutherland (Sydney South) teams ensured the strong representative results for Sydney based teams in 2025. Sutherland were winners of the Over 64 and Over 69's and runners up in the Over 59's A Division NSW Championships.

Teams from Sydney played in 7 of the 8 A Division NSW Finals.

The Representative Summary, included later in this Annual Report, provides more details for the 2025 season.

I personally want to thank every member of the Board and all members of the Competition and Representative Committees, for their commitment and dedication to always striving to continue to promote and develop Masters Hockey in Sydney to be the best possible experience for all participants.

Our mid-week competition provides the opportunity for many players who live in surrounding NSW regional towns, outside of Sydney, to travel and participate in the best Men's Masters competitions in Sydney every week during the season.

Congratulations and best of luck to all our 28 Australian representatives who will be competing at the 2026 Masters Hockey World Cups in the Netherlands and Belgium (July and August 2026).

Overall, 2025 was a very successful and recording breaking season (eclipsing our previous record year in 2024).

Planning for 2026 has already commenced, so please stay safe and well, enjoy some rest and relaxation with family and friends over the Xmas period.

I look forward to seeing everyone again (and especially all new participants) in February 2026 for the commencement of another great new season of Masters Hockey in Sydney.

## BOARD INFORMATION

The elected Sydney Masters Hockey Association Board met regularly during 2025, a total of ten (10) times in all and made every effort to keep the conduct of Men's Masters' Hockey in Sydney running as smoothly as possible.

The seven (7) Board members attendance records were as follows:

10 Greg Kay, Brian Doughty and Lachlan Morley  
9 Mark Studd, Darren French and Pat Mooney  
7 Robert Sutton

Throughout this year, representatives of the Board also attended NSW Men's Masters Hockey Meetings / Forums (online in November 2024) and NSW Championships (April in Central Coast, May in Newcastle, June in Lismore and July in Sydney) to keep up to date and discuss important topics relating to ongoing development and future of Masters Hockey in NSW and Australia.

We also continued to provide formal written updates as necessary, throughout the season to ensure that all the Club / Team Co-ordinators were always fully informed of all the key issues for Sydney Men's Masters Hockey.

I would like to take this opportunity to recognise and thank all Club / Team Co-ordinators and every player who made the personal commitment to be involved in the 2025 Sydney Masters Hockey competitions and representative teams etc.

Thank you to all my fellow Board members for your individual and combined efforts throughout the season – of note are the continuing outstanding contributions from the President (Greg Kay), Deputy President (Brian Doughty), Finance Director (Darren French) and Directors Pat Mooney, Lachlan Morley and Robert Sutton. Their dedication, engagement and commitment to Sydney Masters is acknowledged and always very much appreciated.

I can confidently say that the 2025 season has again been a highly successful year for Sydney Men's Masters Hockey Association.

Overall, I believe that Masters Hockey in Sydney continues to be professionally administered and will continue to be recognised as the premier Masters Hockey Association in NSW.

# Competitions Report

2025 was again a highly successful year with a record number of teams and players.

We again experienced some inconveniences during the season due to the revised scheduling of NSWIS and some unpredictable weather conditions.

Notwithstanding the interruptions and the required re-scheduling, all the 240 programmed matches (included finals) were completed. Again, the understanding of all players, teams, and officials to get on with the season was very much appreciated.

In relation to the main season, the structure of the competition was maintained with 5 Divisions (Premier League, Sydney Cup, Masters League, Senior Masters and Grand Masters) to cater for the 31 teams – which was one more new team in Premier League.

The breakdown of the teams and Divisions for 2025 were as follows:

<b>Division</b>	<b>Number of Teams</b>
Premier League	7
Sydney Cup	6
Masters League	6
Senior Masters	6
Grand Masters	6

The overall playing standard in each of the five divisions was again stepped up in 2025, with the majority of all teams in each division being very competitive and capable of defeating all other teams on their night and this is reflected in many of the results throughout the season.

All competitions again ran smoothly for our teams and their players in 2025 with all matches conducted on Monday weekly (February and March only), Tuesday weekly and Wednesday fortnightly at the Sydney Olympic Hockey Centre (the home of Sydney Masters Hockey since 1987). I am sure that all the teams and their players continue to enjoy the opportunity to play regularly at one of the best hockey venues in the world.

Special Thanks to the team from Sydney Olympic Park Sports Centre for their assistance with our playing fields requirements throughout the season.

We would like to pass on our personal thanks to all the Team Coordinators for their great assistance in ensuring that all requests for information etc were quickly acted on. This very much assisted to ensure that communications were effective and that all aspects of the competitions ran as smoothly as possible throughout the season.

Also, we would like to thank again and congratulate the teams for their assistance throughout the season with prompt updates of their team and player information, together with completion of match cards before commencement of matches.

This is particularly important to ensure that all the competition results and ladders were always kept up to date on the website. Again, I can report that in 2025, the level of compliance by all teams was maintained at the high levels from recent years.

A special thanks to all the Umpires who have made their services available throughout the competition in 2025. Again, this season we were able to welcome some new non-playing umpires to the Sydney Masters Hockey competitions and assist with representative championships. The players continue to appreciate your involvement and patience throughout the season, especially in the understanding of Masters hockey.

## Premier League

In the “**Premier League**”, the number of teams was increased to 7 with Easts joining the league for the first time. All other teams were also bolstered with a number of new players. 2024 Premiers Barbarians had a slow start but finished strong to finish 3<sup>rd</sup>. 2024 Grand Finalists Ryde had good start and were always near the top of the table. The surprise of the season was the consistency of Manly GNS (who were not finalists in 2024), and with only 3 losses finished as Minor Premiers. The other semi-final position (4<sup>th</sup>) was closely fought out between Briars, UTS and Easts, and it was only with the results in the last 2 rounds that Briars locked in the 4th position.

The final series again produced some outstanding hockey. In the semi-finals Minor Premiers Manly GNS stumbled and were beaten by Briars 2-0, whilst in a high scoring game Ryde overcame Barbarians 6-4 to book a spot in the Grand Final.

In the Grand Final, Ryde shot out to a 2 goal lead in the first half in a dominant display, however Briars sprang into action scoring 3 2<sup>nd</sup> half goals to stun Ryde and pinch the Grand Final

Congratulations to Manly GNS on being Minor Premiers and to Briars being declared Major Premiers for the 3<sup>rd</sup> time in past 4 years (also 2022, 2023 and now 2025).

**Grand Final**                      **Briars            3            def    Ryde            2**

**Qualifying Finals**            **(1) Manly GNS    0 lost to    (4) Briars    2**

**(2) Ryde    6            def    (3) Barbarians    4**

**Sydney Cup**

In the “**Sydney Cup**”, this was the most competitive this Division has been for many years with 6 high quality teams. Sydney University (2023 Premiers but failed to make the final series in 2024) were the most consistent team for the season and clearly won the Minor Premiership by 9 points. They were strong favourites to win the 2025 Premiership. 2024 Grand Finalists Manly GNS and Ryde both failed to make the final series in 2025.

The final series matches were highly competitive (see full season results below), with Briars and Macquarie University being surprise semi- finalists. The Grand Final was a close match with Sydney University coming back from being down by 1 goal to draw 1-1 at full time and force a shootout. They could only convert 1 goal in the shootout against UTS 4 and therefore UTS prevailed 5-2.

Congratulations to UTS Raptors on their successful season and being crowned back to back Major Premiers for 2024 and 2025.

**Grand Final**                      **UTS Raptors            5            def    Sydney Uni            2**

## Masters League

In the “**Masters League**” Macarthur, St George Randwick, Macquarie University, Ryde, Sutherland and Sydney University, ensured that all matches were highly competitive throughout the season, and again (similar to 2024), it was only in the final 2 rounds that all the semi-final positions were finalised. St George Randwick secured the Minor Premiership, Sutherland (3<sup>rd</sup>) and Sydney University (4<sup>th</sup>) locking up their finals position – see full season results below.

The Grand Final was a highly competitive match between St George Randwick and Sutherland who surprisingly defeated Macarthur (who had contested the previous 2 Grand Finals). St George Randwick led in the 2<sup>nd</sup> half but a penalty stroke awarded to Sutherland evened the score and sent the game into a shootout. With experienced players in shootouts St George Randwick scored at their first 3 attempts to win with an overall match score of 4-2. St George Randwick were declared the 2025 Minor and Major Premiers

Congratulations to St George / Randwick on your 3 peat Sydney Masters Hockey premierships in the 2023-24 and 2025 seasons.

**Senior Masters**

In “**Senior Masters**” congratulations to Penrith who again were the dominant team with only 1 loss during the season, but again Briars, Manly GNS and Ryde continued to challenge them in all their head to head matches.

The final series was closely contested, however in the Grand Final, Penrith showed why they were the dominant team and accounted for Manly GNS 4-2 in what was a repeat of the 2023 and 2024 Grand Finals. They were declared the 2025 Minor and Major Premiers.

Congratulations to all teams for your competitive matches and the great spirit that all players displayed throughout the 2025 season. Also to Penrith on your 3 peat Sydney Masters Hockey premierships in the 2023-24 and 2025 seasons.

## Grand Masters

For “**Grand Masters**” Sutherland were the dominant team (after leading from the start of the season), however in a repeat of the 2024 Grand Final, the tables were turned. They were surprisingly defeated this year by a gallant Northside in a very closely contested Grand Final 3-1 (after Sutherland took an early 1 goal lead)

Congratulations to Northside who were declared Major Premiers whilst Sutherland were the Minor Premiers.

Thank you also to all teams for your competitive matches and the great spirit that all players displayed throughout the 2025 season.

## Annual Intercity Masters Hockey Challenge

### Sydney v Canberra

(30 November and 1 December 2024)

“**Thank you**” to everyone who made the commitment to participate in the 4th annual Intercity Masters Hockey Challenge against Canberra – all 60 of you in total (plus the many families and friends who were involved).

It was great to see a fantastic group of people represent Sydney Masters Hockey – from the seasoned veterans who have played representative Masters hockey for many years to those for the first time this year – you all did us proud.

Thank you to the Board of Sydney Masters Hockey who again strongly encouraged, supported, and endorsed this annual event to ensure that it remains and ongoing (rotates each year between Canberra and Sydney).

Thank you again to our wonderful Managers (Mark Matheson, Steve Reilly, Pat Hurley and Christine Hayes), and Umpires (David Coles, Mark Wegerhoff, Kyle Hammond, Chris Vandenbroek and Darren McGiffen)– we appreciate your valuable contribution and assistance at all times.

To the players, what a great achievement in winning 3 and drawing 2 of the 8 matches to ensure that we narrowly retained (8 points and 15 goals) the **Merv Goodridge and Doug Dawson Cup** – that we have now won in all 4 years since inception in 2021.

It was fantastic that Doug Dawson was able to attend this year, it was great that Merv’s son Brad (who played in the Senior Masters team for Sydney) was also able to attend the Presentation and hand over the Cup to Sydney President Greg Kay.

Thanks to the Sydney teams Leadership Group, Jimmy and Paul (Masters), Harvey and Jimmy (Senior Masters), GK and Phil (Grand Masters) and Peter and Phil (Legends) for all your assistance and support in arrangements for your teams and their great performances over the weekend.

#### **For the record, the full results were –**

**Masters** – Game 1 (Loss 0-3), Game 2 (Loss 1-2 match abandoned due to weather)

**Senior Masters** – Game 1 (Win 4-1), Game 2 (Win 6-0)

**Grand Masters** – Game 1 (Draw 0-0), Game 2 (Loss 1-5)

**Legends** – Game 1 (Win 2-1), Game 2 (Draw 1-1)

Therefore with 3 wins and 2 draws (8 Points and 15 goals to 13 goals) Sydney Masters **WON** the **Merv Goodridge and Doug Dawson Cup** for 2024.

**Congratulations** everyone for a highly successful weekend – we will be doing this again with Canberra in late November 2025 in Canberra (National Hockey Centre).

# **2025 NSW Championships**

In 2025 the Sydney Masters Hockey Association entered 11 representative teams in the NSW Men's Masters Hockey Championships.

**The NSW Men's Masters Hockey Championships kicked off in early April in Wyong (Central Coast) with the Over 39's and 54's, then in early May at Newcastle with the Over 44's and 64's, then in mid-June in Lismore Over 59's and 69's with the final Championship in early July in Sydney Over 34 and 49's.**

It was again great to see that there were 16 new players (after the 30 in 2024) to represent Sydney Masters for the first time this year.

All teams performed strongly with 8 of the 11 teams finishing in the top 3.

The Over 34's (Strikers), Over 54's No 1 and 2 teams claimed NSW Championship Titles, whilst the Over 44's, Over 49 No 1's, Over 49 No 2's lost in finals to finish 2nd. 2 teams finished 3<sup>rd</sup> (Over 39's and 59's) whilst the Over 34's (Giants) and Over 69's finished 4<sup>th</sup>. The Over 64's finished 6<sup>th</sup> in a very competitive Age Division

**The NSW Over 34's Championships were held in Sydney on 4-6 July 2025.**

**The 2 teams in the 34's (Norwest Strikers and Sydney Giants)** were highly rated and both played outstanding hockey. The Giants with 7 new players were unlucky to lose to Illawarra in the rounds but still qualified for the semi-finals. Unfortunately both our teams played each other in the semi-final with the Strikers winning 2-0 so the Giants finished 4<sup>th</sup> overall.

The Strikers went through undefeated winning the final 2-0 against Illawarra to record their 3<sup>rd</sup> NSW title in past 4 years.

**The Over 49's No 1 team** (with the inclusion of former Kookaburra Brent Livermore) were undefeated and qualified for their 6<sup>th</sup> consecutive final after a 2-0 win against Newcastle in the semi-final. Unfortunately after scoring early they could not peg back FNC and lost 2-1 to finish 2<sup>nd</sup> overall

**The No 2 team** - were undefeated through the rounds and played a good quality team from Coffs Coast (with 3 Australian players). In an exciting game where several chances were not taken late in the game, the final score was 0-0. Coffs Coast then won the penalty shootout 2-1 so the team finished 2<sup>nd</sup> overall.
